*There are several unincorporated communities within a 20-mile radius of the proposed project that may or may not show up on a given map of the greater area of Aberdeen. Such maps may give the impression that these unincorporated communities are municipalities and should be included in the Local Review Committee. However, such communities do not have mayors which would serve on the Committee pursuant to SDCL 49-41B-6. Therefore, Staff believes such communities are properly excluded from the Local Review Committee. Staff encourages any interested community to contact its county or city representatives with any concerns it may have.
