Chad Kinsley, CEO

C/O Southeastern Electric Cooperative, Inc.

47077 276th Street

Lennox, SD 57039

Dear Mr. Kinsley,

It has been brought to my attention that Mr. Robbie Kirshenman has requested electric service for a residence/bin service location on TBD 432<sup>nd</sup> Avenue, Menno, South Dakota. His service request will be in the Southeast quarter (SE<sup>1</sup>/<sub>4</sub>) of the Southeast quarter (SE<sup>1</sup>/<sub>4</sub>) of Section 34, T097N, R057 W, of Sweet Township in Hutchinson County, South Dakota. The location of this service will be in the Southeastern Electric Cooperative, Inc's., (Southeastern) service territory as set forth and established by the South Dakota Public Utility Commission (SDPUC). Exhibit "A" is Mr. Kirshenman's request letter to you.

Bonn Homme Yankton Electric Association, Inc., (B-Y Electric) would be required to extend electric service approximately 1500 feet North as noted in Exhibit "B". The line extension fee from B-Y Electric for this service is \$11,775.00 in accordance with our standard line extension policy. It is B-Y Electric's understanding that Southeastern will need to extend electric lines approximately 5300 feet to provide electric service to Mr. Kirshenman and that your aid to construction may be higher than the cost indicated here by B-Y Electric. Based on our discussions with Mr. Kirshenman he is willing to allow B-Y Electric to serve his electric load at the specific location noted above.

B-Y Electric is requesting from Southeastern your permission to serve this electric load for Mr. Kirshenman at the location listed above for a residence and grain bins. We fully understand that this service is in your service territory and will await written notification from you. Once B-Y Electric receives written notification to serve this load from Southeastern, we will work with you on the necessary paperwork for filing for permission from the SD PUC on this issue.

Thanks for your consideration of this request and we look forward to hearing from you soon. If you have any questions or need additional information, please feel free to give me a call.

Cooperatively yours,

Stephanie Horst  
General Manager
