ORDER GRANTING APPROVAL OF AN ELECTRIC SERVICE OF AN ELECTRIC SERVICE

On April 10, 2025, the South Dakota Public Utilities Commission (Commission) received a joint request for a service territory exception from Bon Homme Yankton Electric Association, Inc. (B-Y Electric) and Southeastern Electric Cooperative, Inc. (Southeastern). The proposed exception will permit B-Y Electric to supply single-phase electrical service to a residence and grain bins, located within Southeastern's designated service area. The property is situated in the Southeast quarter (SE1/4) of the Southeast quarter (SE1/4) of Section 34, T097N, R057W, of Sweet Township in Hutchinson County, South Dakota.

On April 17, 2025, the Commission electronically transmitted notice of the filing and the intervention deadline of May 2, 2025, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. No petitions to intervene or comments were filed.

The Commission has jurisdiction over this matter pursuant to SDCL 49-34A, specifically 49-34A-42 through 49-34A-44 and 49-34A-55.

At its regularly scheduled meeting on May 20, 2025, the Commission considered this matter. Commission staff recommended approving the requested service rights exception. Finding that the service rights exception will avoid unnecessary duplication of facilities, provide adequate electric service to the customer affected, promote the efficient and economical use and development of the utilities' electric systems, and that the exception to the parties' assigned service territories is in the public interest, the Commission voted unanimously to approve the requested service rights exception. It is therefore

ORDERED, that the requested electric service rights exception is hereby granted.

Dated at Pierre, South Dakota, this 215tday of May 2025.
