Pierre, SD 57501

SOUTH DAKOTA PUBLIC
UTILITIES COMMISSION

In accordance of SDCL 49-34A-12, we the undersigned are writing to object Black Hills Energy proposal for a rate increase. We request the Commission to suspend the rate increase and hold a public hearing to determine if such a rate increase should be allowed.

Black Hills Energy already exceeds charging their customers a 50% to 80 % over what the customer uses for a "Delivery" charge.

We are asking the Commission to review and deny the Rate increase.

Sincerely,
