Subject: [EXT] Black Hills energy request for increase charges for customers

Sent from my iPhone

I am requesting that Black Hills Energy not get the enormous increase they are requesting of residents in Western South Dakota. There are many seniors and others on low fixed incomes that cannot afford an extra \$45 a month to keep their electricity on. Black Hills Energy has so many new customers that there should not be a need for this kind of increase. Thank you so much for your consideration.

Sincerely,

Dr. Rose Jarvis
