

Customer notice

We filed a request with the South Dakota Public Utilities Commission (PUC) to approve a \$0.00086 per kilowatt-hour decrease to our Energy Efficiency Partnership (EEP) Cost Recovery Rider. This rider allows us to recover costs associated with energy-efficiency programs and education for our South Dakota customers.

Customers may join with 24 others to file written objections to this decrease and request the PUC suspend the rate and hold a public hearing on the filing, which you can view at <https://puc.sd.gov/Dockets/Electric/2026/>.
