

Customer notice

The South Dakota Public Utilities Commission approved our request to decrease our Energy Efficiency Partnership (EEP) Cost Recovery Rider. This rider allows us to recover costs associated with energy-efficiency programs and education for our South Dakota customers.

As part of this update, the Energy Efficiency Adjustment Factor will decrease approximately 46%, from \$0.00187 per kilowatt-hour (kWh) to \$0.00101 per kWh, effective July 1, 2026. The table below shows residential customer impacts at different kWh levels.

Monthly residential customer impacts
