

OTTER TAIL POWER COMPANY
Docket No: EL26-011

Response to: SD Public Utilities Commission

Analyst: Eric Paulson

Date Received: May 13, 2026

Date Due: May 28, 2026

Date of Response: May 28, 2026

Responding Witness: Cristina Zuniga, Supervisor, DSM Administration - 218-739-8240

Data Request:

Refer to the Drive Power program on page 15. Are the units installed on new construction/businesses or replacement of old units?

Attachments: 0

Response:

The Drive Power Program is made up of motor and adjustable speed drive measures. All motors rebated in 2025 were from applications for replacement motors. Otter Tail Power does not track new or replacement data for adjustable speed drives, but most applications in 2025 came paired with motor applications which would mean the majority, if not all, of variable speed drives were also replacements.
