

OTTER TAIL POWER COMPANY  
Docket No: EL26-011

Response to: SD Public Utilities Commission

Analyst: Eric Paulson

Date Received: May 13, 2026

Date Due: May 28, 2026

Date of Response: May 28, 2026

Responding Witness: Cristina Zuniga, Supervisor, DSM Administration - 218-739-8240

---

Data Request:

Refer to the benefit cost ratios on Table 3 of Appendix A. Provide the ratios for each individual program within each category rather than categories as a whole. Ex. Home Lighting broken out by the 3 individual programs.

Attachments: 0

Response:

Commercial Direct Install measure costs are treated as an administrative cost and not as individual rebates which results in 0.00 results for the majority of the Cost Effectiveness tests. The PCT results for Air Conditioning Control are a result of not having costs incurred by the customer. Other 0.00 results are due to zero participation.
