**Subject:** [EXT] Collection of comments in support of Crowned Ridge Energy Storage (Docket #EL26-014)

Dear Commissioners:

Attached and included below are 7 additional letters of support from South Dakota residents for the Crowned Ridge Energy Storage project.

I also support this project and urge you to approve it. It is well-sited, safe, and will provide numerous benefits. This energy storage project will benefit South Dakota ratepayers by keeping the grid more reliable. The tax revenue from this project will also provide a needed boost to Codington County and the state.

Thank you for your time and consideration.

Niklas Peters
