

Customer notice

On May 20, 2026, we filed a request with the South Dakota Public Utilities Commission (PUC) to approve updates to our Energy Adjustment Rider. This rider reflects changes in fuel and purchased power costs that aren't included in base electric rates.

Customers may join with 24 others to file written objections and request that the PUC suspend the updates and hold a public hearing. To review the filing, visit <https://puc.sd.gov/Dockets/Electric/2026/>.
