To whom it may concern:

I see Power On Midwest has put in their application with the PUC for their 765 kV transmission line.

As you prepare the schedule of meetings for the local listening events, please consider locations in our smaller towns, not the county seat towns. The county seat towns are not affected by this project.

For example, in Grant County, Revillo is the best location. The old school gym is available for large meetings. Call 605-623-4241.

In Deuel County, Gary is the best location. Big events can be held at the Anerican Legion Hall. Contact Loran Haas at [REDACTED]. Or, Buffalo Ridge Resort also has a big meeting hall. 605-653-2383.

In Brookings County, White would be the best choice of town. They have a very nice, large Community Center. Contact the City Office at 605-629-3661.

Thank you for your consideration.
