Explain your interest in applying for party status below.

I am concerned as to how this line will affect our farming operation, our property value, as well as our quality of life. The line is proposed very close to our home and cattle operation. We winter our cattle in that exact location and calve them there in a spring. We also farm organic in that location and worry how the lines will affect that major part of our operation. My husband already has cancer, kidney failure and Heart issues. He has a heart monitor that transmits directly to the heart hospital. How that is affected is also a concern. Loss of revenue from rent and resale value could create a life long hardship for me. We hoped to honor my father in laws wishes and keep this farm in the family for generations. MY South Dakota should protect me.
