Central Electric Cooperative
PO Box 850
Mitchell, SD 57301

Dear Mr. Schlimgen:

I respectfully request Central Electric Cooperative's support of my service territory exception request to allow Southeastern Electric Cooperative to provide three-phase electric service for my business at a parcel identified as the SE1/4 of the NE1/4, North and East of the railroad ROW, Sec 36, T102N, R57W, Hanson County. Because Southeastern Electric's facilities are substantially closer than Central Electric's, service can be extended at a significantly lower cost.

Central Electric's estimated contribution in aid of construction (CIAC) is \$302,500.00 to extend approximately 6 miles of three-phase distribution. In contrast, Southeastern Electric's estimated CIAC is \$7,650.00 to extend approximately 200 feet.

Thank you for your time and consideration. I would appreciate your support of this request.

Regards,

Trent Wollman
