Re: Joint Request for an Electric Service Territory Exception  
Docket No. EL26-\_\_\_\_\_

Dear Ms. Mohr:

Southeastern Electric Cooperative, Inc. (Southeastern) and Central Electric Cooperative, Inc. (Central) wish to submit the enclosed "Joint Request for an Electric Service Territory Exception" for consideration by the Commission.

The service territory exception is being requested to minimize costs for the consumer, Trent Wollman. Mr. Wollman has requested a new commercial, three-phase electric service at a parcel identified as the SE1/4 of the NE1/4, North and East of railroad ROW, in Section 36, T102N, R57W of Hanson County, South Dakota, also to be described as xxxxx 430<sup>th</sup> Ave, Emery, SD 57332 in the future. Mr. Wollman has provided the enclosed letter (Exhibit C) requesting a service territory exception to enable Southeastern Electric Cooperative to provide this electric service. I have also enclosed additional supporting information for the Commission's consideration.

If you have any questions, please feel free to reach out to Ken Schlimgen or myself.

Sincerely,

Chad Kinsley  
Chief Executive Officer  
Southeastern Electric Cooperative, Inc.
