Customer bill message

We filed a request with the South Dakota Public Utilities Commission to approve two new rate options for certain large customers, effective January 1, 2027, including a Large General Service – Tier II – Time of Day Rate and a Large General Service – Tier III – High Power Compute Rate. These updates also include related changes to our Index, Matrices, and other Rate Schedules.

These changes don't affect current electric rates or existing customer bills. To view the filing, visit <https://puc.sd.gov/Dockets/Electric/2026>.

Customer notice

The South Dakota Public Utilities Commission approved our request to add two new rates for certain large customers, effective January 1, 2027: the **Large General Service – Tier II – Time of Day Rate** and the **Large General Service – Tier III – High Power Compute Rate**. These updates also include related changes to our Index, Matrices, and other Rate Schedules.

These new rate schedules are designed for large commercial and industrial customers with high energy use or with high power compute load and ensure these customers pay appropriate costs associated with their service.

These changes don't affect current electric rates or existing customer bills.
