Leah Mohr, Executive Director
South Dakota Public Utilities Commission
State Capitol Building
500 East Capitol Avenue
Pierre, South Dakota 57501-5070

Dear Ms. Mohr,

Enclosed for filing please find a copy of an executed "Service Territory Exception" between Sioux Valley Southwestern Electric Cooperative Inc (SVE) and the City of Madison SD (MAD).

This agreement seeks an exception to the existing service territory boundary in Lake County of South Dakota. The accompanying drawing provides additional graphic detail to this request.

For the convenience of all parties, MAD has agreed to provide single phase service LED lighting for a small utility shed, Flagpole and Cross with Corpus service being installed St. Thomas Cemetery in the NW ¼ of T106N, R54W, as depicted on the diagram. This parcel does reside outside of MAD's assigned service territory, However SVE's facilities are over 2,700 feet away, and whereas MAD's facilities supply the existing Hospital that is immediately adjacent to this cemetery. The CIAC for SVE to provide service is over $11,000.

Included with the agreement between Sioux Valley and the City of Madison is a consent signed by Reverand Anthony Urban, representative for the Cemetery. All parties are in support of this territory exception.

Sioux Valley respectfully requests the commission approve this agreement.

If anyone has any questions, please call me at 605-256-1608

Sincerely,

Ted Smith

Ted Smith
Vice President of Engineering & Operations
