Re: Administrative Updates to Previously Approved Economic
Development Filings from 2006 through 2014.

Dear Ms. Van Gerpen:

Northern States Power Company, doing business as Xcel Energy, submits the enclosed documents to Staff, which are in association with previously filed dockets EL06-007, EL07-012, EL08-008, EL09-005, EL10-002, EL12-028, EL13-008, and EL14-024. The intention of these updates is to redact company sensitive information.

The attachments are organized as follows: Each docket, noted above, with company sensitive information has been reviewed and updated with "black boxes". The purpose of these "black boxes" is to remove routing numbers and pertinent bank information from the bank checks that are included. This has been discussed with Staff and meets their approval.

If anyone has questions I can be reached at 605-339-8303.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Eric Pauli', is written over a light blue horizontal line.
