RE: GE12-001 – In the Matter of a Filing by NorthWestern Corporation, d.b.a. NorthWestern Energy, for Approval of Tariff Revisions to its South Dakota Demand Side Management Plan

Dear Ms. Van Gerpen:

As discussed during the South Dakota Public Utilities Commission's final consideration of the above referenced matter, NorthWestern Energy is submitting an updated qualified measures list for the natural gas portfolio. The recently completed Montana Natural Gas Resource Assessment for 2014 was applied to the South Dakota Demand Side Management natural gas portfolio. Those results are reflected in Attachment A.

If there are any additional questions, please feel free to contact me.

Thank you.

Sincerely,

Pamela A. Bonrud

Director – Regulatory and Government Affairs
