Re: Revision to MidAmerican Energy Company's 2012 Reconciliation for the
Electric and Gas Energy Efficiency Cost Recovery Factor.
Docket No. GE13-001

Dear Ms. Van Gerpen:

On February 22, 2013, MidAmerican Energy Company (MidAmerican) filed its 2012 report and reconciliation for the 2012 Energy Efficiency Cost Recovery Factor (ECR Factor) as well as the ECR Factor to be effective from April 2, 2013 to March 31, 2014. The Electric and Gas filings have been designated Docket No. GE13-001.

In the process of responding to a request from Commission Staff, MidAmerican discovered an inadvertent error in the budget forecast for MidAmerican's electric and gas services in South Dakota, which impacted the calculation of the residential and non-residential ECR Factors. To correct its February 22, 2013 filing, MidAmerican submits revised Exhibit C(E) pages 3 and 5 and Exhibit C(G) pages 3 and 5.

In addition, the attached electric and gas tariff sheets, including redline versions are being transmitted to you for filing.

South Dakota Electric Tariff
Section No. 3:

4th Revised Sheet No. C-3a

Canceling 3rd Revised Sheet No. C-3a

South Dakota Gas Tariff
Section No. III:

5th Revised Sheet No. 9

Canceling 4th Revised Sheet No. 9

MidAmerican is submitting the revised tariff sheets to reflect the revised factors. MidAmerican respectfully requests approval on less than 30 days notice pursuant to Section 20:10:13:20, requesting an April 2, 2013 effective date, as originally reflected in the February 22, 2013 filing.

Ms. Patricia Van Gerpen
