Ms. Patricia Van Gerpen, Executive Director  
South Dakota Public Utilities Commission  
State Capitol Building  
Pierre, SD, 57501

Dear Ms. Van Gerpen:

Enclosed are revised electric tariff sheets for docket GE15-002. In the original filing the revision numbers were based on the last approved tariff. That tariff was prior to the interim rates filed in EL14-106. Through the course of work in docket EL14-106, it was discovered that the revision numbers for GE15-002 should have been based on the interim rate tariff and not the previously approved tariff. The attached sheets contain revision numbers for GE15-002 that revise from the tariff sheets in EL14-106.

Should you have any questions regarding the above changes, please advise.

Sincerely,
