1-1 South Dakota Data Request

Please provide an updated “Energy Efficiency Plan (EEP) for 2013-2017 Revised Exhibit 1” and updated “Appendix A” that includes the proposed budgets and program changes for 2017. An example can be found in MidAmerican’s responses to Staff Data Requests 1-1 in docket GE15-004.

Response:

MidAmerican is providing redline and revised “Energy Efficiency Plan (EEP) for 2013-2017 Revised Exhibit 1” as DR1-1 Attachment A and DR1-1 Attachment B that reflect the requested budget changes, savings targets and cost effectiveness results.

MidAmerican filed a revised “Appendix A” in 2015 under Docket GE15-004. ~~Nothing filed with this revision necessitates a revision to that document.~~ to reflect the removal of clothes washers and all changes to furnaces and ground source heat pumps rebate levels. There are no changes being made in 2017 that affect Appendix A.
