Notice of Rate Change for Message Box on Customer Bills:

On November 18, 2016, NorthWestern Energy filed an application with the South Dakota Public Utilities Commission for a change to its Energy Efficiency Adjustment rate. This rate change affects all electric and natural gas retail customers. For the typical residential electric customer using 750 kWh per month, this adjustment increases your electric bill by \$0.00073 per kWh or \$0.55 per month. For the typical residential natural gas customer using 150 therms per month, this adjustment will increase your natural gas bill by \$0.01138 per therm or \$1.71 per month. The change became effective on January 1, 2017.
