RE: Docket No. GE17-003

Dear Ms. Van Gerpen:

On July 16, 2020, MidAmerican Energy Company ("MidAmerican") filed the gas Clause TERM – Tax Expense Refund Mechanism (TERM) reconciliation for the 2nd effective period of May 2020 and proposed that all natural gas classes be considered within an acceptable tolerance and no additional refund be required, with the exception of the Small Volume Sales class for which MidAmerican proposes a new TERM factor be effective for the billing month of September 2020. On August 6, 2020 the Commission issued an Order Approving MidAmerican Energy Company's TERM Reconciliations.

MidAmerican hereby submits the gas TERM reconciliation for the 3rd effective period of September 2020.

In accordance with MidAmerican's gas tariff, Section No. 3, Sheet Nos. 74.12 - 74.13, MidAmerican proposes that all classes now be considered within an acceptable tolerance and therefore does not recommend calculating new factors for any class as they should all be considered complete and require no additional refund. Included in the gas filing are the SD Gas – 3rd TERM Reconciliation Workpapers.

Please contact me at (563) 333-8382 or Diane.Votino@midamerican.com if you have any questions.

Sincerely,

/s/ Diane Votino
