RE: Docket No. GE17-003

Dear Ms. Van Gerpen:

MidAmerican Energy Company (“MidAmerican”) hereby submits the electric and gas Clause TERM – Tax Expense Refund Mechanism (TERM) reconciliations for the 2nd effective period of May 2020.

In accordance with MidAmerican’s electric tariff, Section No. 3, Sheet No. 75.11, MidAmerican proposes that all classes be considered within an acceptable tolerance and therefore does not recommend calculating new factors for any class as they should all be considered complete and require no additional refund. Included in the electric filing are the SD Electric – 2nd TERM Reconciliation Workpapers.

In accordance with MidAmerican’s gas tariff, Section No. 3, Sheet Nos. 74.12 - 74.13, a new factor has been calculated for the Small Volume Sales class. The effective period for the new TERM factor will be the billing month of September 2020. MidAmerican proposes that the Medium Volume Sales, Large Volume Sales, Small and Medium Volume Transport and Large Volume Transport classes be considered within an acceptable tolerance and therefore does not recommend calculating new factors for those classes as they should be considered complete and require no additional refund. Included in the gas filing are the following items:

1. SD Gas – 2nd TERM Reconciliation Workpapers
2. Redlined and Revised versions of the following gas tariff sheet:

MidAmerican Energy Company
South Dakota Gas Tariff Schedule No. 2
