

**MONTANA-DAKOTA UTILITIES CO.  
SOUTH DAKOTA PUBLIC UTILITIES COMMISSION  
SECOND DATA REQUEST ISSUED JUNE 2, 2020  
DOCKET NO. GE20-002**

- 2-8. How does MDU identify with certainty what the load reductions specifically identified as related to the pandemic are. Were load increases identified related to the pandemic as well?

**Response**

Montana-Dakota is working to identify what load changes may be attributable to the pandemic.
