

South Dakota Public Utilities Commission  
Docket GE20-002  
MidAmerican Energy Company  
Third Data Request

Responder Name: Amanda Hosch  
Job Title: Director, Regulatory Policy and Rates  
Phone: 515-242-4279

3-6. Provide an itemized update of cost reductions, broken out between actual and estimated, the Company currently expects to be netted against the cost increases in the regulatory asset, if approved.

**Response:**

Consistent with its response to DRs 2-8 and 2-9, MidAmerican has still not identified any permanent cost reduction items directly attributable to the pandemic. As previously indicated, to the extent the Company has experienced any cost reductions since the start of its pandemic response it is likely these reductions are not permanent and result from a delay in expense.
