3-7. Refer to the response to DR2-2c. How much of the \$10,552.02 in waived late fees would have already been waived as result of Section 6.01 of the tariff?

Response:

In its response to DR2-2c, MidAmerican provided the total waived for any customer who would have been assessed a late payment fee and was not. MidAmerican did not include any customer who would have qualified for the one-time late payment charge waiver as provided in MidAmerican Tariff Schedule No. 2, SD P.U.C. Sec. No. 5, Original Sheet No. 9. Therefore, none of the \$10,552.02 provided in that response would have been already waived.
