Question:

What is the total outstanding balance of the customers that currently are or will be subject to disconnection at the end of the disconnection moratorium?

Response:

As the Company is not currently disconnecting customers and is unable to exactly identify which customers will be subject to disconnection in the future, information provided is specific to overall arrearages for active residential customers. Outstanding balances for active residential customers through the week ending July 11 total \$439,258.
