- 1-1. What is the processing fee when using a credit or debit card to pay your bill through Paymentus? Is there a fee to pay with cash at a kiosk or retail location? If so, what is the fee? The red line says: may charge a processing fee. Is there a location that does not charge a fee?

Response

Paymentus charges a processing fee of \$2.59 for debit and credit card payments, with a maximum payment amount of \$600. There is no fee to pay cash at a MidAmerican kiosk, however retailers do charge a fee to pay cash. The fee to pay at a Western Union location is \$1, and the fee to pay at Walmart is \$2. All locations charge a fee.
