We have received your licensing fee in the mail. Thank you for sending this. We are approaching our fiscal year end for licenses which is June 30th. Since we are so close to this date if you wish you may go ahead and license from now until June of 2020. Rather than licensing for 18-19 then turn around and license for 19-20. In order to do this you will need to have the surety date the bond from now until June 30, 2020. Let us know if you have any questions on this.
Thanks

Paul Kenefick-Aschoff

Hi Paul!

My accountant has been slammed with tax season but I will have the financial statement over to you later this week.

Our bond company is also waiting on the financial statement. Did you receive our application and fee?

Just checking back to see where things were at on this.
Thanks

Page 3 #14 we will need all of the figures filled in, these figures can be from an in house balance sheet.

Form 4 (a) you can put Cody, WY information on here, since you do not have a location in South Dakota we normally use the company headquarters information for a location. What is listed on this page also needs to be listed the same on the bond.

You indicated the check for the licensing fee would be sent, great. You also indicated on the application you would be including your third party fiscal yearend financial statement, super. If you would like to email the financial statement ahead of the application information you may do so.

We also need the bond, if you would like to scan that for review before sending you may do so. Also if you could include a self-addressed stamped envelope for the mailing of the license information.

Let me know if you have any further questions.

Subject: [EXT] High Country PUC Application

Paul & Cody,

How are you today?

Attached is High Country Mercantile's application for grain buying in South Dakota.

Cody, thank you for your help on Friday, very much appreciated. As I stated then, we have a check for the \$275.00 ready to send in the mail with this application once it looks to have hopefully cleared everything first

with you guys. My boss, Pam is out of the office currently which is why I am currently in contact with you. If there is anything else we need at this point, please let us know.

Thank you so much,

Jason Scott
