AFFIDAVIT OF SARAH MCINTOSH

GW21-001

I hereby swear and affirm as follows:

1. I am an inspector with the Grain Warehouse program of South Dakota Public Utilities Commission (Commission).
2. While conducting an inspection with licensed broker, Fearless Grain Marketing came up as a buyer for 10 loads of millet to a licensed processor, with deliveries beginning July 8, 2020. These loads were originally delivered in a farmer's name and changed to Fearless Grain Marketing after delivery. It is my understanding that this farmer did not have knowledge of the purchase in his name.
3. On March 17, 2020, while conducting an inspection with Fearless Grain Marketing, it was documented that Fearless Grain Marketing was buying grain in the state of South Dakota without a grain buyer's license. It was noted that an additional 2 loads of millet and 11 loads of sunflowers were purchased by Fearless Grain Marketing from January 7, 2021 through February 19, 2021.
4. Out of the above stated loads in section 3, there are additional loads of sunflowers to be delivered.

Dated on this 19th day of March 2021.
