Today we received your bond in the mail. I am returning the bond to The Insurance Store in Sidney, NE. The surety corporate seal was missing from the bottom of page 1 of the bond. On the application, page 3 #14 the information was not completed. Attached is a form, please complete this form, sign, notarize and return to our office at the below address. Once we receive this information back for review we should be able to issue your grain buyers license. Let us know if you have any questions on this.
