Re: South Dakota Hutterian Co-Operative's Request for Waiver

Dear Mr. Chambliss:

South Dakota Hutterian Co-operative has submitted its Grain Buyer license application. This communication serves as a request pursuant to ARSD 20:10:12:17. We are requesting a waiver of the portion of Rule 20:10:12:14 that requires a Class A Grain Buyer to have financial statements prepared at the audit level. My client's financial statements are prepared by an independent bookkeeper who is not an employee of the applicant or any officer, shareholder, or partner of the applicant. In addition, the tax returns of South Dakota Hutterian Co-Operative are prepared by EideBailly. Applicant can submit additional information in support of its request for this waiver if that would be helpful.

Sincerely,

A handwritten signature in cursive script that reads "Julie Dvorak".
