RE: Banghart Properties, LLC's May 11, 2023, Application for a Class B Grain Buyer License

Ms. Banghart,

On May 11, 2023, the Grain Warehouse Program received an Application for a Class B Grain Buyer license from Banghart Properties, LLC (Banghart).

Based on the Public Utilities Commission's May 9, 2023, decision to deny Banghart's April 4, 2023, Application for a Class A Grain Buyer License for good cause, I cannot grant a license based on Banghart's May 11 Application. Any further action on this Application should be made at the Commission level

I will file this Application and Letter with the Commission. You may request a hearing before the Commission by emailing the Commission at PUC@state.sd.us to communicate your formal request.
