Dear Paul & Cody,

I am writing this letter in regards to changing the name on our South Dakota Grain Buyer License–Broker, Class-B License Number 2091 and Bonded Grain Buyer. Currently the name on the license is listed as Banghart Properties Fearless Grain Marketing Storage & Arbitrage with the address of 111 West Commercial Avenue Gettysburg, SD 57442.

In talking with Cody and also Sarah, I would like to remove Fearless Grain Marketing Storage & Arbitrage and have the license in the name of Banghart Properties LLC. I attained the necessary rider from the bonding company and have forwarded that original rider to your office. Also, since obtaining the license we Banghart Properties LLC now offices out of 111 West Garfield, Suite 2, Gettysburg, SD 57442. It should be noted also that Banghart Properties LLC is registered with the Secretary of State and in good standing.

I appreciate your direction, Cody & Paul, as to how to remediate this matter. If you need anything else from me, please do not hesitate to call me at 605-354-4975 or via email at jan@banghartproperties.com.

I look forward to the new license and a continued strong relationship.

Sincerely,

Jan Banghart
