Hi Paul,

I am returning our physical grain license #2114 to via FEDEX. The tracking number is 2731 2164 4795. It's scheduled to arrive on Wednesday of this week.

Chuck Haaser

Mr. Schaeffbauer,

Thank you for your response. Ms. Gates is an attorney with Covington Burling LLP. Oliver Peoples is the President and CEO of Yield10 Bioscience, Inc.

I can tell you that Yield10 has not had any grain purchases in South Dakota at any time in the past. We only set up the company with the license in anticipation that we would find ourselves engaging with growers in your state. That has not happened.
