Re: Direct Testimony of Leo Sibson

Dear Ms. Van Gerpen:

Mrs. Leo Sibson contacted me today regarding her husband's direct testimony. She and her husband, Leo Sibson, want and intend for his response to Staff's discovery request to also be considered his direct testimony. Had they completely understood the process, they would have made their intentions clear in their October filing of discovery responses. She asked me to please place their discover response on our Website and in the public record. Attached please find the referenced discovery response. Thank you.

Sincerely,

Kara Semmler
