

Executive Director
SD Public Utilities Commission
500 East Capitol
Pierre, SD 57501-5070

June 5, 2007

Attention: Kara VanBockern

I previously sent the PUC a Notarized Application for Party Status. I am the owner of NE ¼ of Section 14 of T-125-N, R-59-W.

Consider this my written complaint objecting to any of the information filed by TransCanada as being marked "Confidential" information in the Matter of the Application by TransCanada Keystone Pipeline, LP for a Permit under the South Dakota Energy Conversion and Transmission Facility Act to Construct the Keystone Pipeline Project HP07-001.

I ask the Public Utilities Commission to schedule a hearing as soon as possible and make all information filed by TransCanada available to the general public and the landowners that will be crossed by the pipeline. I will need to see the information in order to prepare testimony for the hearings scheduled for June 25, 26 and 27, 2007.

Thank you,

Lillian Anderson
