RE: TransCanada Keystone Pipeline Project / Party Status

Enclosed is the City of Yankton's "Application for Party Status" in the matter of the TransCanada Keystone Pipeline Project. Yankton officials have worked diligently to prepare and adjust our long range development plans in the event that the pipeline project comes to fruition. Keystone officials have assured us that they will design the project in such a manner that it will accommodate intersections with the extension of the city's transportation and utility grid systems.

Please feel free to contact me at (605) 668-5252 if you need further information regarding this issue. Thank you.

Sincerely,
