petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

*As a property owners and resident of South Dakota I feel the PUC has an obligation to defend the agriculture industry of S.D from exploitation by a foreign country. The PUC as an extension of the people of S.D owes the citizens a protection of their food and water supply first and foremost. We ask that as our representative force you refuse this permission to cross our farm land. My family has farmed for over 100 yrs in Yorkston County.*
