Dear Mr. Hohn:

We are in receipt of your August 6, 2007, request for the landowner list in the TransCanada pipeline siting docket, HP07-001. As you know, two landowner lists are part of the docket filed in this office. The first list was created by the Applicant, TransCanada, and filed with its April 27, 2007, application. Your request for access to it will be addressed at the August 28, 2007, meeting according to applicable statutes and rules as they relate to confidentially-filed documents.

The second list was created to comply with SDCL 49-41B notice obligations. TransCanada, per SDCL 49-41B-12, paid fees as required for each applicable county auditor to collect the relevant landowner names, addresses and legal land descriptions. The list is not part of TransCanada's application. Rather, it was created merely to comply with the Commission's notice obligation.

Enclosed please find an electronic copy of this landowner list. The list is available to interested parties upon written request and may not be used for any commercial purpose.

Thank you.

Sincerely,

Patricia Van Gerpen  
Executive Director
