Dear Commissioners,

re - Docket HP 22-001 Summit Carbon Solutions pipeline

While researching this project, I saw the list of "water crossings" this pipeline is planned to traverse. I enjoy taking my grandkids fishing and have a concern here.

In reading through several submitted letters on your website, your agency references SDCL 49-41B-22 as a law on which you will base your decision. I hope that you will also consider what happened in Sartartia MS after their pipeline exploded.

I ask that you deny Summit Carbon Solution's pipeline permit..

Thank you,

Connie Fomenko
