Dan,

Thanks for your email. As you heard at the meeting, the PUC has a long standing practice of working with all of the attorneys representing parties in a proceeding to accommodate schedules to ensure that all parties have the benefit of proper representation in the proceeding. All of this will be evaluated at the January 5 PUC meeting before a final decision is made.

By law, your comments and my response will be posted in the docket comments for HP22-001.

█

Sincerely,

Chris
