Mr. Kloucek,

The Public Utilities Commission does not have authority over the Hand County Commission's process including the posting of their meeting agendas, notices or moratoriums. Your concern about the handling of such should be addressed to the [Hand County State's Attorney](#).

Your email and my response will be posted under Comments and Responses in the [HP22-001](#) docket.

Thank you.

Chris Nelson, Chairman
South Dakota Public Utilities Commission
