Subject: RE: [EXT] SUMMIT CARBON CAPTURE ROUTE

Dear Mr. McGee,

Thank you for your email registering your concern.

You are correct that PUC Order

<https://puc.sd.gov/commission/dockets/HydrocarbonPipeline/2022/HP22-001/HP22-001extend.pdf> indefinitely extended the deadline for a PUC decision on the permit application. You can access a recording of the June 8 meeting at which that Order was produced (<https://puc.sd.gov/Archives/2022/default.aspx>) to give more background on the extension.

All information filed in this docket can be accessed at

<https://puc.sd.gov/Dockets/HydrocarbonPipeline/2022/HP22-001.aspx> . I would direct your attention to an August 1st filing by the applicant for the most recent information from the applicant.

Your email and my response will be filed in the comments section of Docket HP22-001.

Sincerely,

Chris Nelson
