Ms. Sutherland,

This is in response to your messages regarding the Navigator Heartland Greenway, LLC carbon capture project.

Your messages and my response will be posted under Comments and Responses in the docket, [HP22-002](#). This docket is currently under review and being processed by commission staff with their expert witnesses, intervenors in the docket, and my fellow commissioners and me.

This [Pipeline Siting Information Guide](#) may be helpful in understanding the processing of a docket such as this. As you will see by reading this, comments regarding dockets open before the commission should be emailed to PUC@state.sd.us.

Thank you for sharing your information.
