Subject: HP22-002

Ms. Bilka-Skilbred and Mr. Shields,

This is in response to your message and letter regarding the Navigator Heartland Greenway, LLC carbon capture project.

Your message and my response will be posted under Comments and Responses in the docket, HP22-002. This docket is currently under review and being processed by commission staff with their expert witnesses, intervenors in the docket, and my fellow commissioners and me.

This [Pipeline Siting Information Guide](#) may be helpful in understand the processing of a docket such as this.

Thank you for sharing your view.
