Dear Ms. Elofson:

The accompanying gas tariff sheets issued by MidAmerican Energy Company are transmitted to you for filing.

SDPUC Gas Tariff
Section No. VI

3rd Revised Sheet No. 5 Canceling 2nd Revised Sheet No. 5
Original Sheet No. 5.05

With this filing, MidAmerican is proposing several revisions to its Disconnect Notice form.

1. Bar coding has been added to aid in bill delivery and also allows MidAmerican to qualify for more favorable bulk postage rates.
2. Coding has been added to indicate when and which additional inserts should be mailed with the notice. See the hash marks on the left side of the payment stub.
3. Duplicate text has been added that specifies the amount that must be paid in order to avoid disconnection. This text is included as the first bullet point below the message box.
4. The second occurrence of the phone number has been deleted, and the language "Representatives are always available" has been moved to second bullet point under the message box.

5. A second version of the notice is being filed that displays a message regarding the amount of non-utility charges on the account. This is an informational message provided in effort to reduce customer misunderstanding over utility and non-utility charges as they relate to disconnection. Customers paying the amount listed on the current disconnect notice may believe that their account is paid in full even though non-utility charges are still due. Upon receipt of their next bill, the customer becomes aware that there is still a past due non-utility balance and, in turn, contacts MidAmerican for clarification. The non-utility charge message is intended to provide customers with additional account information in order to reduce confusion and misunderstandings.

MidAmerican does not disconnect customers for outstanding non-utility charges and no changes to this policy have been proposed.

MidAmerican also notes that these changes will be made in its other jurisdictions, i.e., Illinois, Iowa, and Nebraska.

An original and ten copies of this letter and accompanying tariff sheets are submitted herewith. Please file stamp the enclosed additional copy and return in the self-addressed envelope.

Sincerely,

Jeff C. Davis
