**ORDER RELEASING FROM  
BIANNUAL REPORTING  
REQUIREMENT**

**NG06-001**

On January 31, 2006, the South Dakota Public Utilities Commission (Commission) received an application from MidAmerican Energy Company (MidAmerican) requesting approval of gas sales tariff sheet changes. According to the filing, these revisions proposed to base interruptible sales service gas costs on the daily market price of gas as opposed to monthly average system prices previously used.

On February 2, 2006, the Commission electronically transmitted notice of the filing and the intervention deadline of February 17, 2006, to interested individuals and entities on the Commission's PUC Weekly Filing electronic listserv. No petitions to intervene or comments were filed.

On March 16, 2006, the Commission issued an Order Approving Tariff Revisions with the condition that MidAmerican provide a report to the Commission every six months comparing Purchased Gas Adjustment (PGA) recoveries and volumes of consumption for interruptible customers under daily pricing to the methodology previously used. MidAmerican has made its compliance filings as ordered.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-34A.

At its regularly scheduled meeting on April 13, 2023, the Commission considered the matter of releasing MidAmerican from its biannual reporting requirement as the compliance filing is no longer needed. Commission staff stated after 17 years of receiving this report it has served its purpose and is no longer necessary. The Commission voted unanimously to release MidAmerican from the biannual reporting requirement. It is therefore

ORDERED, that MidAmerican is hereby released from the biannual reporting requirement.

Dated at Pierre, South Dakota, this 18<sup>th</sup> day of April 2023.
